Commissioner for Patents

The reply filed on 03/18/04, is not fully responsive to the prior Office Action because of the following matters:

The claims are not in proper format according to Rule 1.121(c), which requires:

- A complete listing of all of the claims presented during prosecution in numerical order.
- The text of all pending claims (not cancelled claims), including withdrawn claims, must be written out.
- Each claim must include one of the proper identifiers: original, currently amended, cancelled, withdrawn, new, previously presented, and not entered.

The present amendment is non-responsive because (a) the text of the cancelled claims should not be written out and (b) the claim identifier "previously submitted" should be "previously presented."

2. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
